Bunkernet Ltd Launches New Website

www.bunkernet.com.cy

On February 9, Bunkernet Ltd releases its new website. The new website is part of the company's overall rebranding campaign on the occasion of the Bunkernet's 10-year anniversary.

After 10 years of delivering solutions to the maritime industry, Bunkernet is entering a new era of growth and great achievements. This is manifested, in the most clear-cut way, in the new slogan "Solutions. Delivered" and the design & structure of the new website: solid forms, inspirational images, infographic elements and advanced technology are put together to create an immersive, user-friendly, interactive experience.

Clearly, the purpose of the new website is to bring Bunkernet closer to its customers and partners. By presenting you its philosophy and vision or inviting you to meet its people in their workplace Bunkernet, demonstrates that the essence of trading is openness and solid relationships, built in an environment of trust and transparency.

Bunkernet LTD was established in Limassol, Cyprus in 2007 and over the years has grown to become one of the most trusted names in bunker and lubricant procurement. Bunkernet's core business is the supply of residual and distillate fuels worldwide according to ISO 8217. Bunkernet is also a specialist in spot, contracted and the physical supply of marine lubricants and fuel additives. Finally, the company offers risk managements services (fixed-price-agreements, bunker management solutions, PLATTS based pricing).
